Forgot to ask. Did you find a solution to the office space matter?

No.

I'll call you later and share my thoughts. I'm with IT right now.

6/8/2022 3:30:28 PM

Did you get some insight into Mr. Kirkland?

In a meeting

6/8/2022 9:02:51 PM

Nothing that you and I hadn't already known. I'm actually having lunch with him again tomorrow with the Corvette people.

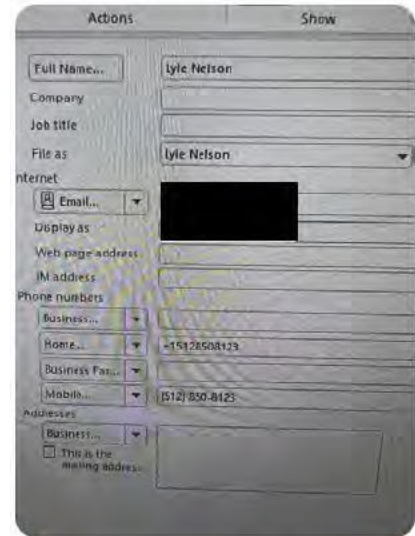

He's definitely a thinker and likes facts.

He likes his interpretation of the facts.

Just be careful that he doesn't put you in a box of his design

Got it.

6/9/2022 3:58:14 PM

Is this the right email for you

Yes, ma'am

Keeps coming back undeliverable.

Did you receive the email I sent?

I'm in my car driving to a meeting so I'll just check when I stop

Be safe

So I have two VIP tickets to the motorcycle rally this weekend on Saturday you want to go

Honestly it's too bloody hot for me to go but I just thought I would see what your reaction would be

Hmm, that or the Pride festival! I'm torn

The heat will probably tell me , hell no! Could be fun though.

Well we could go to the city managers conference at the Hyatt or we could go to the youth theater group that's also in town we have many choices for the weekend lol

I think I'm gonna give the tickets to my property manager he's a motorcycle kinda guy and I think it's just too much probably gonna be a you know what show

Good idea!
Sweet of you to offer

What youth theater?

TNT youth theater

I did not get your email.

We need to fix the email issue

Ok. I'll ask IT tomorrow

Came by your place to get tickets for the Pride event at Fisherman's Park but didn't see your car

No sorry I was running an errand I'm heading back that way

Now you do know that I didn't want tickets. That was supposed to be smart alecy

Smarty pants.

You got me.

Heat by so thought to say hi

Near not heat

6/11/2022 3:51:07 PM

Too damn hot!
Despite your kind offer, I'm glad I elected SOLD over ROT. Today is an inside activity day no matter how boring

Totally agree! I'm going to binge Netflix. 🧘‍♀️

Binge away, girl!!

6/18/2022 7:17:50 PM

Got in, verified I'm 21
Now strolling

I'm at bar. Just ordered a burger.

Inside.

6/18/2022 10:15:36 PM

Thanks for the invite and conversation.
I'll plan better next time. Be safe

Thank you. Hope I didn't cross any lines. 🙄

Morning
Are you going to be in your office this afternoon? I have something to show you and a question to ask you.

Yes. I have both dogs with me. They may misbehave a little at first. They just get excited to see people.

Outstanding
People should be the same way, perhaps!

6/21/2022 7:14:32 AM

██████████ Say hello to Bill for me.

Thank you! I certainly will

6/21/2022 2:03:42 PM

How was your lunch date 🤔🤔

It was breakfast and it was great. I'm having a relaxing not a care in the world day. My finger is tired from thanks for ██████████ Bill reciprocated your "hi".

Oh, we had chaperones so I didn't convert!!

Glad to hear you didn't convert. 🙄

Please tell me that you weren't worried that I would!! If you were, I may have to rethink how I present myself!!

Nah, just kidding. You did tell Christy and I that your manhood was without question. 🤪

I know. Me too! I am secure in that area. Viva la difference!

I'm doing a little [redacted] drinking so no telling where my head is relative to [redacted] wishes and celebrations

I'll ask becki to call you. 🙄

Nope!!!

I have standards!!

6/21/2022 4:39:40 PM

Ok, ok
I'll stop! Thanks for playing along!!

Excellent

Hey, when is the best time, IYO, to go to the Bastrop Opera, at the start or end of a run? I need to get out to these performances so I'm looking at when to go to the Odd Couple

I've been in both ends and it really doesn't seem to matter. Are you going to the opening season party on Saturday?

Was not aware. Isn't it invitation only? I remember last year's. It was pretty cool!

I think it is. I'm confirming with Lisa. Regardless if I go you are welcome to join me. You must 🍷

Wow, both sweet and funny in the same note! I'll take you up on your offer.

I'll get back to you once I confirm wit Lisa.

7:30 Saturday night. All set.

I owe you! Thanks

Again!!

Big tab building

I'll figure some way to resolve that

6/23/2022 2:59:47 PM

Connie informed!

And drinks ordered!

Yes

Ahhhhh!
Virtually Toasting your success, ma'am!

Come on over!

In a TEAMS Meeting. I'd love to be there, though. We'll see.

Here till 445

I will try. If not, a celebratory drink (or 2) later

6/23/2022 4:40:16 PM

Looks like it'll be a later celebration of your success for me. Have fun!

Saw your disbelief and anger.
Deep breaths and trips to your internal happy places bring clarity of thought on how to address this going forward

I'm so anger with our government

I hear you. As am I for a totality of reasons. Bad actions or lack of action has led us to addressing the effects but not the causes. Smoke and mirrors!

6/24/2022 8:10:10 PM

I just heard through the grapevine that John is not going to run for mayor next term

Cool, thanks for the undercover work!

It helps to know the competition.

6/25/2022 5:12:00 PM

Howdy on a hot Saturday afternoon. Projects done , music heard, cool down beer drank, shower scheduled. See you at 7:30!

Don't forget your toothbrush

I mean to brush your teeth. 🦷 😊

Yes, ma'am!

6/25/2022 9:44:37 PM

Just occurred that I'm glad I didn't give you a peck on the cheek or that would have added to your tease!

Yes would have to do more than a peck to convince me otherwise

I will remember that next time!

That was fresh. Sorry.

No sorry needed, lady! I enjoy the exchange and intrigue.

Intrigue it is.

Nothing ominous! Still trying to figure how that was fresh.

Not sure why I felt like a giddy schoolgirl tonight.

Well, it was obvious that I was a tongue tied boy when I got out

And you are never lost for words.

Gotta keep you engaged as I enjoy hanging with you!

Ditto my friend.

6/26/2022 9:47:36 AM

Staying in town until Friday. Let me know if you have time and would like to hang.

Cool! I will do so. Hope your delayed departure is not due to any problems

Been drinking and discussing with the Sheriff and others at the Back 9. Almost solved the worlds problems! Then I got a buzz and forgot the solutions!

Lol. That's pretty funny.

Great place to relax with friends

I just live across the highway from there. It is a great place to chill.

I'll mark this as acceptable then. The wild bunch has left and I'm waiting for my dinner

Do they have food there?

Really good food trailers.

Patio dining, ma'am

Oh that's right.

No but I saw his brother, Pete Fresco!

Al fresco

I have quite the buzz so forgive me

Bad. Very bad.

Im good but I'd like to reserve the offer for a later time

Do you need a driver?

Driving out and waving across the highway

You bet.

😊
Yep, put the bail money up for a later time.

Home?

I'm gonna get me a horse trough, fill it with cooooooollldd water, then get butt naked and lay in it.

Cause it's hot!! The neighbors will have to deal with it

Ok and why ?

Hmmm
But I can't immerse myself completely plus that doesn't scratch the rebel in me

Indoor plumbing works also.

Laughed at "Hmmm

6/27/2022 10:04:20 AM

Are you going to council tomorrow night?

I am

Connie called and suggested I do a Citizen's Comment to announce our Accreditation.

Then I will definitely be there to add to the applause

Would you like to grab a drink after?

I realize that may be forward of me. 🙄

Stop that! Not forward at all and yes to the drink. Gracious of you to ask

Oh, am I being too forward to call you gracious!?!? Ok, so kind of you!!

How about "hell ya" !

Point taken!
Try this:
You damn right I will. Thanks for aksing!

Much better.

Liked "Much better. "

6/28/2022 1:38:35 PM

Public comment is Item #10 while my item of interest is #12B. So I will be delayed in the drink grabbing. You good with that? It'll give you a chance to pick a spot and save a table!

Well.... I have never been delayed when meeting with someone for the excuse of 12b. This is a first.

Well, life is an adventure, I guess!!

Totally kidding. Where would you like to meet?

Nooo!! You were kidding??!!
You know better than me on where.

It depends on what time 12B is closed. Piney Creek bar or Back 9.

Bastrop beer company is open until 10

Shouldn't be too long on 12b. Bastrop beer is too loud in my opinion.

But Your call. Wherever you are comfortable waiting for a little

I'll text you when I leave the council meeting. I may stay for a bit as well.

Your commitment to service is laudable

Seriously, I'm there only to provide insight as needed.

Oh, to applaud your announcement!!!

You are asking for it bud.

So cheering is not permissible?

Ok , I'll try to comply but they may not like me taking my shirt off!!

6/28/2022 6:35:19 PM

You got a full house!

It's all about me. lol. Much more nervous tonight than most nights.

Well?

You did quite well. I'm still impressed

Thank you.

Do you think 12b will be lengthy?

Shouldn't be but you never know

Trying to back out of thee drink offer??

Uh. Hell no

Liked "Uh. Hell no"

Just trying to decide where to go based on closing times.

Piney?

If that's where you want me, I'll be there shortly. If you decide elsewhere, just let me know

You there already?

I'm here.

6/28/2022 9:32:57 PM

I enjoyed our visit but I always feel that our visits end too early. Dang it

Well they end early due to your curfew. Am I accurate? Whatever the reason yes they do.

I would have enjoyed a peck.

Somewhat accurate

My thoughts exactly.

So how we do fix that?

I need to step it up!

No disagreement here.

You do know I have had a crush on you since I met you. ?

Definitely flattered by that.

Mark July 30th in your calendar please

Touch base tomorrow

6/29/2022 8:49:21 AM

Perhaps a little bit of a little boy shyness, a need to be somewhat discreet as well as not wanting to compromise our friendship. Reasons not excuses, I hope

Sorry, good morning!

Underneath that sweet exterior, you are extremely alluring. I plan on not failing the next time.

6/29/2022 10:30:11 AM

Thank you for the compliment. I also don't want to compromise our friendship.

Can you take a call in a little bit?

Yes. I'm working from home today.

Saw this and thought of you. Always a Mom

A mom will text her twenty-year-old child, letting him know it's going to rain and not to forget an umbrella.

She calls to see how the first day of school separation went for her grandkids and if her daughter made it to the car before tears streamed down her face.

She watches her daughter's baby, so she can shower and take care of her postpartum body.

She texts her forty-year-old son, making sure he's home safe from a wedding because knowing that is still the only way she can sleep well.

She buys her thirty-four-year-old daughter Wetzels Pretzels when she goes to the mall because she knows how much her daughter loves them.

And no, she no longer needs to do these things, but she does them anyway.

Because a mother always wants to make life easier for her kids when she can even when they're capable, responsible humans and can do all the things for themselves.

And she always wants to know they're safe.

Because mothering doesn't stop when her kids turn eighteen, move far away, or have their own kids.

It just changes.

Crocodile tears.

Hang tough in this transition. Your reaction is natural. Call or text her as often as you want

What are the 5 types of love language? ^

What are the love languages? We all give and receive love in 5 different ways: **words of affirmation, acts of service, receiving gifts, quality time, and physical touch.** These are called 'love languages' - a concept created by Dr. Jan 31, 2020

<https://www.familycentre.org> · post

[5 Different Ways to Show Love and Improve Your Relationship: Blog](#)

I like to think that I hit all of these but I'm probably stronger in words of affirmation, quality time and physical touch.

My self assessment.
Thoughts?

Yes agreed. However I still don't know you all that well.

Noted!!

You will, though

I'd love to talk to you in the morning. That work?

I'm headed to the pool right now I'm gonna be here for just a few hours and then I'm gonna go home and do some meal prepping for the week

Morning!!

4/14/2023 2:16:16 PM

Did you get a text from Angela?

No.
Angela who?

Plunkett?

Yes

4/14/2023
 Angela here with TWO weekend reminders! A)TONIGHT at 6:30, Kevin is having a meet and greet at the TRES cool downtown record store, ASTRO records- plz tell others! ✨
 Thank you, Lippy for hosting. If you can, please stop by, see the store, and support Kevin! (It doesn't matter if you have already met Kevin, lol!)

Reminder Cont- B) This Sunday, 4/16/2023 it's the Big Retro Neighborhood Potluck Party! What is this "Retro" you say? Well, first I say, it's absolutely Not mandatory :)
 Second, Everyone knows how I ❤️ vintage, and it's been a few years since we've had a fifties/Mad Men party. So, if you feel like channeling the fifties picnic/block party vibe and wearing or bringing something slightly vintage- that would be fun (vintage cars included!:)). Invite who you like!
 Plunkett back yard, Sunday @ 4pm: 110 Lincoln St. It's potluck, but of course we will also have food, drinks, chairs blankets out etc. Pool also open if anyone wants to take the plunge 🏊

Nope

Well. Looks like I can invite you.

Ok, maybe ask if other candidates should come

To the house party?

Yes

Yes I should ask?

My thoughts so it would not be specific to me. Or not

4/14/2023 6:37:09 PM

We made it to the AirBnB. Ate too much at Christophers, a Triple A 4 Diamond restaurant. Waiting for rest of family

Got here before sun came up!

Sending love and good vibes!

Thanks, baby!

Got here early to secure my spot. Had to move cause it was too close to poll location. Dang

Oh no.

Got this text from Rebecca last night -Tonight is the full moon friend- the Flower Moon. You should take a look- it's beautiful! It was a really powerful lunar cycle with two solar eclipses and a lunar eclipse tonight. If you've been anything like me it's been pulling up some deep seated trauma that needed healing. Write a note of the things you want to leave behind tonight and leave it to bath in the full moon. Miss you friend ❤️

That's good?

Not really. With over 5000 eligible voters in town, we may get 1500

More than in the past?

I'm going to leave here at 6:30 to head to Gracie's. Depends on what happens if I'll stay out or head home after the results.

Not much more if any.

Yeah, not sure what I'm going to do or go

Will you do Gracie's?

If I make the run off , yes,

Of course. If you don't let's be together.

Why would Sylvia question our performance metrics?

Information search, ROI, evaluation ? Could be a variety of these as well as others.

It's making me nauseous

Oh, baby

I'm serious. She has too much power.

I feel like I'm living [REDACTED] all over again.

I know you're serious. I'm thinking that she is using what power she is being given. I also think she is being prodded by Connie to help her go out in a bang

Deep breaths!! You are not in a weak position

If Kevin is feeling similar it's scary

Cause he'll get John and Jimmy.

I am in a horrible weak position. The city has the power.

Sorry I know you're probably busy with [REDACTED]

How was the board meeting?

I resigned

Oh!

Spur of the moment or planned? We spoke of it but I didn't know you decided

All on the heels of the rumors. I don't want to be involved in this community. I want to stay far away.

Crap

I am very disheartened with CS.

It's been a week!

I concur and yes it has

I feel like everyone knows and people are staring.

I don't even want to go to the mixer tomorrow night.

I don't feel that everyone knows.

I know I'm exaggerating but jeez.

I'm not happy

I hear you, baby

Combined with the budget talks and Connie not calling me is a double piss off.

Although you and Sylvia got straight, CS' s action/non action is troubling

I texted Sylvia today and she hasn't responded. I'm getting tired of this.

I'm sure

I'm thinking that with the changes coming that this is a demonstration of power. Still contemplating

You mean she's trying to be powerful?

Not dangerous but positioning

Who Sylvia

Her andCS

Positioning for what?

I truly hope this doesn't hurt your race.

They are tied at the hip. CS is losing position and Sylvia is losing a partner

No hurt as I see it

I just don't know how we are going to recover from this.

We will

Hey baby, I was at the pool with Rebecca, so I chose not to take the call in case it could be overheard doing well

I have no idea where you are or what you're doing it's 10 of three and I'm gonna stop by H-E-B and pick up a few things so just letting you know if you're out and about that's where I'm going to be

Hey, sweet baby!
Figured you were at the pool or something!
Paperwork, napping and nothing much

5/28/2023 5:20:20 PM

My gosh!! I miss you! I HAD to tell you!!!!

Very much so

How much longer is this going to go on?

Most of us know how to say nothing; few of us know when.

Deep
And true

You missed the point

Wow baby you are surprising me. 😊

Don't mean to. I'm on phone with John and have watchful eyes

If I missed the point, I'm sorry

Now off phone, baby

Clearing it of insects for you!

Did it move away?

It did. I called John. He wasn't home. He sent a neighbor over. Probably in the bushes. Hope he's out by morning. Scared the jeez out of me.

It'll stay away probably

Sweet Jesus it better.

Rebecca doesn't think it's Doc. Plus we had the wrong night. It was in September and it was the opening chamber mixer for the new chamber. Intermission now. Text on my way home.

Hey, I'm headed home just dropped Rebecca off at her house from the show. It was really fun anyway I can talk to you tomorrow more about that text message I sent earlier but she absolutely doesn't believe that it's him. That brings consternation

I'm really missing you

Nothing happened!
Just want to be with YOU

You the liquor to my drunk
The drug to my high
The laugh to my humor
The smooth to my rough
The ebb to my flow
The yin to my yang

Had a good day?

What happened

Yes. Good day.

Better if you were with me!

Then.....

Freaking me out

I thought something happened. You know I worry!
